CABF SCWG Document publication Procedure

F2F Meeting 62 – Bergamo, Italy

Procedure

- Ballots approval
 - As of now
 - Two types of ballots: regular and emergency (names can be changed)
- New version publication
 - Regular: to generate on a quarterly basis
 - Approved ballots are not merged into main immediately but at the end of the period (e.g., 1st april, 1st july, 1st october, 1st january)
 - The new version of the document will contain the number of ballots approved for that version in section 1.2.1 revisions
 - It will include all descriptions
 - Adopted date will be the date of publication
 - Effective date TBD, but by default, 2 months
 - Emergency ballots
 - Same procedure as of now. Every ballot with its own version
- Potential issues
 - Different branches updating the same section at a time
 - Emergency ballot conflicting with a regular one already passed
